

Add to Your Faith

If we want to be effective and fruitful here on earth then we are going to need to add to our faith.

If you believe in Jesus you will have eternal life. Having faith in Christ is the only way to heaven. But God has called us to so much more than just waiting around for heaven. If we want to be effective and fruitful here on earth (and we should absolutely want that!) then we are going to need to add to our faith. God has called us to supplement our faith with virtue, knowledge, self-control, perseverance, godliness, brotherly kindness, and love. If we can remember these things and live them out, we can experience a small piece of heaven here on earth and even share it with those around us as well!

Family Time Questions
