

Don't Doubt

"Believe in God, and believe that what God says is true."

We should always trust God, but it can be hard sometimes. There are several passages in Scripture where Jesus tells people not to doubt, but in most of those passages, He is also very patient with those who doubt. One of the times that we should be very careful not to doubt is when we are looking to God for wisdom. God has given us wisdom in Scripture. The Bible is God's word, and it's for everyone. But even though God gives the wisdom freely, if we doubt Him and disregard what we don't like, we have not received that wisdom. Believe in God, and believe that what God says is true. Don't doubt.
