

His Love Endures Forever

"God will never get bored of you or tired of you. He wants you and loves you forever."

The way that the world loves is not the way that God loves. On Valentine's Day, we often see stories about love in movies or tv shows. But those stories so often tell of a love that is wishy-washy and uncommitted. That's not at all what God's love for you is like. He loves you no matter what. He'll never get bored of you or tired of you. He wants you and loves you forever. And though our sin separates us from God (by our own choice), He still made a way for us to be with Him forever. Jesus Christ died for you, not because you deserve it but because He loves you anyway. Give thanks to the Lord, for He is good, His steadfast love endures forever!
