

Knowledge

"It's very hard to follow God if you don't know how he wants you to live!"

First and foremost, you need to believe in Jesus Christ. He is the only way to heaven. But we must add to our faith in Christ if we want to experience the awesome life that God has planned for us here and now. One of the things that we must add to our faith is knowledge. It's very hard to follow God if you don't know how he wants you to live! If you want to know what God says, you need to read your Bible. It's not always easy to learn more about God, but it is always worth it so long as you put what you learn into practice! Make every effort to add to your faith knowledge.
