

The Seven Days of Creation

"God gave the world and everything in it to Mankind to take care of it."

In just six days, God made the heavens and the earth. On the first day, He made light and darkness, day and night. On the second day, He made the sky by separating the water above from the waters below. On the third day, He pushed back the sea and made dry land and covered the land in plants. On the fourth day, He made the sun, moon, and stars. On the fifth day, He made the fish of the sea and the birds of the air. On this sixth day God made the land animals and Mankind. And on the seventh day, after He finished all His work, God rested. Not because God was tired, but to set an example for us to rest. God gave the world and everything in it to Mankind to take care of it. We have a big responsibility, so let's take care of God's creation and also follow His example of rest.

Family Time Questions

- What did God make in six days?
- What responsibilities did He give to Mankind?
- Why did God rest on the seventh day?
- What are some ways that we can take care of the world God made?

Bible Verses

- Genesis 1-2:4 - The seven days of creation
- Exodus 20:8-11 - Remember the Sabbath

Prayer

"Dear God, thank You for all You have made. Please help us to be good stewards of what you have given us, and help us to follow Your example of rest as well.

In Jesus' name, Amen."
