

# The War on Christmas

"We need to make sure that we don't give Satan what he wants."

The sad truth is that there are many, many people in the world who celebrate Christmas but have no idea who Jesus is or what He has done for them. Some people even actively try to remove Jesus from Christmas. Satan really wants Christmas to have nothing to do with Jesus, but he also wants Christians to give in to fear and lash out with anger and hatred. We need to make sure that we don't give Satan what he wants. It's up to us to shine the light of Jesus with our love and good works, to share the good news of Jesus Christ, and to keep ourselves from fighting the way the world fights. Our battle is not against flesh and blood, and that absolutely includes the "war of Christmas."
